Dear Franklin,

Shawn and I wanted to express our sincerest thanks and gratitude for your hospitality in letting us stay at the beautiful Inn this past weekend in celebration of our anniversary!

Words cannot express how wonderful our stay was – from the exquisite grounds and pool area along with a beautiful suite to the amazing buffet breakfast. We enjoyed our stay tremendously!

I am so happy I finally got to experience the Inn first hand since I do recommend it so often to our Chamber members as well as to tourists that contact the Chamber of Commerce Regional Business Partnership looking for lodging in the area.

Thank you once again!

Sincerely,

Dana M. Jarrett

P.S. Phil, Kristen and I are looking forward to having lunch with you at the Rose Hunt on Friday June 3rd. See you then!
