Dear Franklin Manchester:

The children and families of Creations School wish to thank you for your generous support of our Eleventh Annual Fashion Show & Chinese Auction. Our unique fundraiser was held on Sunday, May 20, 2007 and was a huge success! All proceeds from the event are going directly to support the Cultural Arts Program for our children; including computers in the classroom, musical theater, foreign language studies and scientific programs.

Your contribution was an advantageous addition to the Auction and will be enjoyed by Creations School's supportive families. More than 600 guests were exposed to your kind donation through placement in our special themed baskets and acknowledgment of your business in our Auction Program. To learn more about our community and school please visit www.sayville.com.

Thank you once again, your generosity will help create opportunities for the young learners of our community and is much appreciated.

Sincerely,

Meredith Lessing
