Flexible Meeting Facilities and Dining

Specializing as a boutique hotel, The Inn accommodates smaller, more intimate meetings from 10 to 65 guests with additional space available in our Hearth Room and beautiful outdoor courtyard. The Inn provides on-site catering and guests can select from pre-arranged menus or customize their own meals.

Each meeting room at The Inn is equipped with state-of-the-art audio/visual equipment, and our experienced tech support staff is available to keep meetings and presentations running smoothly. Complimentary Internet access is available throughout the property and a complimentary computer can be found in the lobby. Also, loaner laptops are available upon request. For larger meetings and events, The Fox Hollow Catering and Restaurant is immediately next door and can service up to 350 guests.

The Inn provides a complimentary hot American breakfast buffet daily and a delectable dinner buffet Sunday through Thursday. Business guests can also enjoy in-suite dining. Venture to the piano bar and lounge next door at Fox Hollow's Rose Hunt Restaurant and Lounge, and dine à la carte.

For rest and relaxation, business executives enjoy our tranquil outdoor courtyard, heated pool or hot tub during the summer and seek stress relief through a workout in our state-of-the-art, 24-hour on-site gym. In-room therapeutic massage services are available by appointment (24-hour notice required) and hotel guest privileges are extended at a nearby gym and spa. A number of championship golf courses are also in the vicinity for meetings on the green.

At The Center of It All

Unlike other boutique hotels, The Inn provides a complimentary Corporate Shuttle Service (Monday through Friday) that can transport business guests to and from the office, meetings, train stations and other locations in the surrounding area. The shuttle can accommodate up to 14 people within a 10-mile radius of The Inn.

For out of town guests, traveling to and from The Inn is extremely convenient. Arrivals from MacArthur Airport (ISP), LaGuardia Airport (LGA) and Kennedy International Airport (JFK) are a short car ride away with close proximity to major roadways, such as the Long Island Expressway and Northern State Parkway. Guests can also reach The Inn quickly and conveniently by Long Island Railroad (Syosset Station). Frequent ferry service is available to Bridgeport and New London, Connecticut.
