

Making a difference in the lives of children with Autism.

July 2, 2010

Dear Inn at Fox Hollow,

The 7th Annual Woodbury Magazine Ball for Autism was a huge success thanks to individuals, corporations and businesses like you that have contributed to our silent and Chinese auctions. On behalf of North Shore Autism Circle, Autism Speaks and Woodbury Magazine we would like to thank you for the overnight stay, including breakfast and a beautiful basket with bathrobes, wine and accessories. This helped us raise \$225,000 for the cause.

Budget cuts and shortages of funding have jeopardized many of the services available for children with Autism. Thanks to your contribution we are able to continue to fund socialization, recreational and life skill programs in order for children with autism to lead productive lives in society.

Thank you from the bottom of our hearts for making a difference in the lives of children with Autism.
