Dear Ms. Francica

On behalf of the board, staff, tutors, students and other volunteers of Literacy Nassau, please accept my sincere thanks for donating a 1 night stay in a suite, dinner for two, champagne, a dozen roses and breakfast buffet to the raffle prize drawing that took place on March 15, 2010 at Literacy Nassau's (un)SCRABBLE Challenge.

Your support will help to open new doors of opportunity for adult learners who seek to improve their lives, and the lives of their families, through literacy. As you can well imagine, the downturn in the economy has resulted in a reduction in government and foundation funding. Your raffle donation will allow us to raise funds needed to make a significant difference as we provide services in the coming months.

Thank you, once again, for your generous support of (un)SCRABBLE.

Very truly yours,

Barbara Behrens
Vice President
(un)Scrabble Chairperson

Please note: Officially, no goods or services were received in return for this contribution. Therefore, it is tax deductible to the extent the law allows.
