Dear Ms. Giannola,

Thank you for your contribution to the American Heart Association's 8<sup>th</sup> Annual Long Island Go Red for Women Luncheon. By generously donating to our auction, raffle, and/or goody bag with an item valued at \$500.00 (fair market value), you assisted us in raising more than \$300,000 for the Go Red for Women Movement.

More than 800 people joined us for the Go Red for Women Luncheon, held at the Crest Hollow Country Club on Wednesday, February 11, 2009. As you would imagine, we rely on the support of businesses such as yours to aid us in our mission to reduce death and disability from cardiovascular disease and stroke. By supporting the American Heart Association you are making a difference in the lives of so many heart disease and stroke survivors and we can only hope you know how much your kindness and generosity is appreciated.

It was a pleasure to work with you this year and I look forward to working with you in the future. If you have any questions or if you would like to donate to any of our other events, please feel free to contact Krystal Zalak at the American Heart Association at (516) 777-8447.

Regards,
