Dear Mr. Manchester:

As you know, the Lymphatic Research Foundation held its 2009 Awards Gala, *Unwrap the Gift of Lymphatic Research*, at Oheka Castle on May 28th. I am pleased to tell you that the event – thanks in part to your generosity – was a fundraising success that will help to further LRF's mission, bringing hope to millions of people who suffer with lymphatic disorders.

On behalf of our LRF team, I want to thank you for your generous donation of two Suite Surrender Packages for our Gala Auction and Raffle. The wonderful array of items offered delighted our guests and raised over \$50,000! We are very grateful for your support to our Gala efforts.

I hope you will keep up with the exciting developments in lymphatic research by visiting our LRF website: www.lymphaticresearch.org, and signing up to receive our e-Newsletter and other communications.

With best regards,

Sincerely,
