Dear Franklin:

I was taken aback by your gracious letter and very generous "Suite Surrender" donations. The two packages that you sent for the House to use as auction items were such a great surprise...and we are so grateful. One will be used for our upcoming Golf Outing in June and the other for our Polo event in September.

Your very kind gesture of including a package for me, while not at all necessary, was so very much appreciated. I am so grateful and will look forward to scheduling this visit in the near future. I also plan to take you up on your offer to show me around your newly renovated property. I have seen it online and it is just beautiful. I will be in touch soon.

I was thrilled to hear that the basket arrived on your birthday...what a wonderful coincidence. Hope you had a great day!

Again, my most sincere thanks on behalf of the families we serve, and I look very forward to working with you in the future.

Warmest regards,
