Dear Suzanne Francica,

Thank you for your very generous donation of the Suite Surrender Package.

Building Blocks Developmental Preschool is an early childhood center that has been dedicated to enhancing the development of all children ages birth through age five for 25 years. Building Blocks has been servicing children with a broad range of disabilities, including Autism, Pervasive Developmental Disorder, Learning Disabilities, and Speech/Language difficulties. In addition, we offer Integrated Pre-K and Toddler classes; a wonderful opportunity for interaction between typical children and those with special needs.

Your donation makes it possible to continue those services despite the economic distress we currently find ourselves in. Private donations go far in making up for cuts in our state and local government funding.

Frankly, we could not do what we do without donors such as you. We look forward to working with you in the future. We, and those we serve, deeply appreciate your generosity.

Sincerely,

Andrea Cantone & Jill Wolynetz
