

Dear The Fox Hollow

Congratulations on being chosen as a top wedding professional in *The Knot Best of Weddings 2009*! What sets this honor apart from others is that it's not just your colleagues (or even The Knot) bestowing this award on your business – it is real brides who were thrilled with the level of service you brought to their wedding day.

*The Knot Best of Weddings Magazine* is a coast-to-coast guide to the country's top florists, venues, photographers, cakes, and everything in between as rated by real brides. An independent survey of The Knot and WeddingChannel brides is conducted annually by a third party research firm.

Enclosed you will find a self-promotion Best of Wedding 2008/2009 plaque and decal that you can display in your place of business to promote this accolade. We also know that you are just dying to post this top honor on your blog, Facebook page, or Twitter feed -- and we want you to share the news! But first, a little housekeeping.
